# Burundi Ministry

**Allow The Children** is sending two groups to Burundi, Africa during the month of February 2015. Michael Cook and Pastor Adam Read will teach a module in the Timothy Bible School, praying and expecting that the Lord will multiply His Word through the leaders who receive the training.

Sue Cook with board member Debbie Kibler and new staff missionary Jannah Cooter will go to work among our children, especially on the task of getting new photos and progress reports needed for the sponsorship program. We will be visiting the School for the Deaf, the School for the Blind, the Rainbow Ministries as well as others.

*Please consider  
adding some  
amount to your  
gift for the  
office expenses.*

# Pray for Burundi

## **Ephphatha School for the Deaf**

*Over 100 children learn to speak and listen with their hands. The new ones who have come for this school year may be hearing of the Savior for the first time when they learn enough sign to establish communication.*

## **Gihanga School for the Blind**

*Blind children are learning to read with their hands, worship with their voices and make beautiful crafts that can be sold to help make their living someday.*

## **Timothy Bible School**

*Village pastors come from many areas of the country to learn more of God's Word that they can take back to multiply among their people. Allow The Children is providing teachers, materials and expenses for these training modules.*

## **Rainbow Homes**

*Abandoned babies are placed in African foster homes—usually with widows who provide care while child sponsorship provides the support. Almost 100 children are being helped under this program. As each child is sponsored, it makes us able to say, "YES" to the next one.*

## **Children for Sponsorship**

*All of the Burundi ministries need more sponsors. As the Lord draws more sponsors, we can be the answer to prayer for many more children. \$30/month makes a difference in the life of a child.*

## **February Mission Teams**

*Please pray for our teams as we minister in Burundi during the month of February. We have our objectives and plans and schedule, but trusting the Lord to make the trip what He wants it to be. Grateful for your prayers as we serve Him.*
