

# Prayer and Praise as we move into 2015

## Praise in 2014

- New office building!  
*A huge need met in full and overflowing. So grateful for the space and great location to work.*
- New ministry countries: Ghana and Haiti! *Expanding our borders as the Lord leads.*
- Over 1000 children in sponsorship!  
*Hindu, Buddhist, Muslim, Tribal children under the gospel --and children of Christian parents being educated and prepared as witnesses.*
- Pastor training in 3 countries!  
*It is amazing to think of the impact as our men train village pastors who will take the truths back to their own people—to the ends of the earth.*
- Fourteen mission trips.  
*Fourteen projects and objectives—all completed for His honor and glory.*

## Prayer for 2015

- Personal support needs for our staff missionaries. *Our missionaries depend on faith support for their personal needs.*
- Wisdom for decisions as the ministry grows. *We receive many requests for projects from our own ministries and new ministry areas. Pray that we will properly discern which ones the Lord wants for us.*
- More partnering churches  
*We are grateful for any opportunities to share this work with churches, Sunday School classes or ANY group.*
- Preparation for mission outreaches, projects and teams. *Please pray as we schedule travel dates and set priorities for 2015. Will you join a team this year?*
- New Missionary staff!  
*We are prayerfully asking the Lord to lead us to the right couple or individuals to join our missionary staff. Tasks would include "marketing", trip recruiting, field management and WHATEVER needs to be done in the office. Salary: Faith support!*

Maranatha is our largest project in **Nepal**. It is a children's home, a pastor training center and we hope that it will someday be a church. A donor helped us dig a well deep enough to provide abundant water even through the dry season. When the rest of the village faced desperate conditions, Maranatha opened the gates to nearly 100 families who came daily to fill their containers. Many of them returned again in October to see the doctor during our medical clinics. Pray with us that these people will come to hear the words of Life and become a part of the body of Christ.

Maranatha Children's Home now shelters more than 30 children. When the construction is finished this spring, that number may double.

Seven year old Frank is a new student at the Blind School in **Burundi**, Africa. He will be taught to read Scripture with his hands and to worship with his voice.

Frank needs a sponsor to help meet his expenses at the school for the blind.

**Mattress Project!**

Frank and all of the blind students need new mattresses. \$2000 needed

Anik's mother died in a domestic dispute with his father. Anik is now living with relatives who struggle to provide for their own children. He will need a sponsor for school fees.

Anik lives in a village in **Bangladesh** where we have a sponsorship program and a faithful pastor working. We hope to develop a children's home in 2015 for Anik and 19 other children in this village.

### Mission Trip

We are hoping to form one or more teams for projects in **Guatemala** this summer.

The dates and details are not set yet.

Let us know of your interest.

Please pray as we consider expansion to a new country in South America.

Yvonne's parents are street hawkers and that is what she would be doing during the day, if not for a church in **Ghana** providing school for children.

Sponsorship helps with her expenses and pays for a nutritious lunch.

Over 100 sponsors are needed for this program.
